BETTER
LIGHTING

SOLAR LIGHTING

www.betterlightings.com

BTR (Better Lighting) is a Global lighting company with a Head Office in Germany and sales offices in USA and Australia.

BTR was founded in 2001, with line of products including solar, garden, commercial, LED lighting.

BTR owns 3 factories on 40,000m² with 800 highly trained staffs, in Ningbo, China.

BTR owns 3 overseas R&D centre and one Chinese R&D centre which is located in Shenzhen, the purpose is to find and design the best suitable products for the market!

BTR have more than 200 patents and have an in-house independent third part laboratory (Bureau Veritas).

BTR has passed ISO9001, BSCI (equivalent to SA8000 in USA) and also has certification for many countries including CE, GS, ROHS, REACH and UL.

BTR have provided services to the well known lighting manufacturers IT / LIGHT, famous building material chain supermarkets B&Q, OBI and The Home Depot, food chain magnates ALDI and LIDL, and famous lighting importers HAVIT, BRILLIANT and NAVE, winning all their appreciation.

BTR will not let your expectation down, as the following values of BTR which we always bear in mind are the best proof.

Our style of work: earnest, fast, and keep our promise

Our belief: we will achieve all the goals

Our vision: better life for all people

Our mission: let brightness reach the entire world

Our aim: customers' satisfaction is our greatest happiness

Our management idea: every employee is the master of our enterprise

Our business idea: there is no best, only better

Our service idea: we provide more than customers' needs

Our attitude: you are always right

Our motto: impossible is nothing

Our market idea: we provide the best service and the market will certainly reward us.

BTR firmly believe, although the way ahead is not smooth, there is always warm light not far from us leading us forward forever!

BT1524A SOLAR PIR

Model	Led Qty	Solar Panel Type	Voltage / Currency	Battery	Light Time	Single Box Size(cm)	Carton Size(cm)
BT1524A UP SOLAR PIR	0.06W x 2LED+1W LED	Mono crystal	5.28V, 312mA	3 x 600mA Li-ion	10 hours	23x23x21	48x44x25 / 4
BT1524A SOLAR PIR	0.06W x 2LED+1W LED	Mono crystal	5.28V, 312mA	3 x 600mA Li-ion	10 hours	23x23x21	48x44x25 / 4
BT1524A H0.8 SOLAR PIR	0.06W x 2LED+1W LED	Mono crystal	5.28V, 312mA	3 x 600mA Li-ion	10 hours	23x23x82	84x48x48 / 4

Use solar power, no need outer electric power, Energy-saving, Environmental protection

BT1524A UP SOLAR PIR

BT1524A SOLAR PIR

BT1524A H0.8 SOLAR PIR

This solar light is highly designed with two function:

Function 1: Motion PIR & SOLAR function:

Normally 2 samll RGB SMD LEDs light on as normal solar function, when people walk close to the light, the sensor will work automatically, then the 1W power LED will light on.

Remark:

Once the battyer is fully recharged, the sensor can work 480 times, and the light time is 30 seconds per time, the 1W power LED can light 4 hours, the 2 samll RGB SMD LEDs is always lighting.

Function 2: Remote Control & SOLAR function:

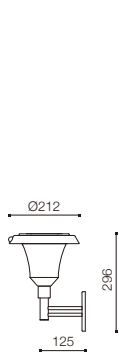

The remote control have 5 buttons, one is "ON/OFF" general button, another 4 buttons have following function:

No 1: to let the 1W LED to be in "Lighting ON" function

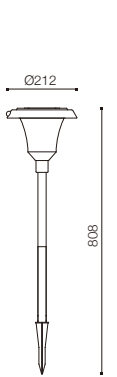

No 2: to let the 1W LED to be in "Lighting OFF" function

No 3&4: to adjust the brightness of both types of LED

Remark: the the 2 samll RGB SMD LEDs is always lighting except the Gernal button is switched off.

BT1524A UP SOLAR PIR

BT1524A SOLAR PIR

BT1524A H0.8 SOLAR PIR

Motion PIR & SOLAR function:

Normally 2 small LEDs light on as normal solar function, when people walk close to the light, the sensor will work automatically, then the 1W power LED will light on.

Remark:

Once the battery is fully recharged, the sensor can work 480 times, and the light time is 30 seconds per time, the 1W power LED can light 4 hours, the two small LEDs is always lighting.

SPECIFICATION

- PMMA BALL
- Plastic base and spike, acid and alkali resistant, Aging resistant
- Iron plate, the surface is coated with outdoor used powder, smooth, acid and alkali resistant, Aging resistant
- Sealed with silicone rubber gasket
- Protection class: IP67
- Suitable places: Pond, Lawn, Garden, Park, Path, etc

IP67

PATENTED PRODUCT

SPECIFICATION

- Aluminium die-cast body, Anti
- Static surface, the housing is coated with outdoor used powder, aging resistant
- Double anti-corrosive to ensure 8 years long-life span
- Frosted glass diffuser, aging resistant, UV-protect,
- Internal layout install movable bracket, guarantee the effect of the light
- The overall head connects the body
- Using Aluminium die-cast flange base installation

Motion PIR&SOLAR function:

- Normally 8LEDS light on as normal solar function, when people walk close to the light, the sensor will work automatically, then the 5Watt LED will light on

Solar system:

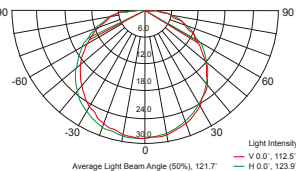

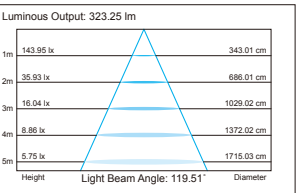

- LED: 8x0.07W LED + 1x5W LED
- Laminated solar panel: 4.32V, 5W, 1160mA
- 2 pcs of Lithium Batteries, 3.7V, 3800mAh
- Suitable places: Lawn, Garden, Park, Path, ect

IP44
